# Discussion points

UNIVERSITÄT  
HEIDELBERG  
ZUKUNFT  
SEIT 1386

- What preventive measures could be taken to reduce dropout rates?  
What role do transitions in the SLC play in terms of dropout rates?
- How can the organization of academic programs be improved to help students achieve a better balance between their studies and their personal lives?
- What approaches to promoting self-organization and personal responsibility among students have proven effective?
